All official Little League tournament rules will be strictly enforced throughout the tournament. Tournament rules state that the home team will be determined by the toss of a coin. The first day’s game coin tosses will be held at the pre-tournament meeting. If the format is Pool Play, all games played during the PP segment will also be conducted. All other game coin tosses will be conducted as soon as both managers have arrived on site by the Tournament Director, or designated individual. The format (Pool Play/Double Elimination) for the tournament is determined based on the number of teams in each tournament and as specified in Little League Rules and Regulations. Drawing for pools/draws were randomly selected in accordance with the VA State Little League Association By-laws at the State Association meeting.

EQUIPMENT

Each team is responsible for bringing/providing their own equipment. Teams will ensure all equipment used during tournament time are in safe, good condition and meets all Little League standards. If issues arise, we will do whatever can be done to help resolve the issue by either loaning equipment or directing your team to a local sporting goods store.

NOTE: Beginning 2025, Little League established that Umpires will not conduct equipment checks prior to regular season or tournament games as in previous years. It is SOLELY the responsibility of the team Manager. We strongly encourage you have your team's equipment inspected by your league or district UIC prior to arriving at this tournament. The penalty for using illegal equipment is extreme. If you have any questions on any player's equipment, please let us know before use so we can avoid any unnecessary penalties.

PRACTICES

We have several practice fields available during daylight hours, first come first served. However, they may not be near the tournament fields. A schedule will be available during registration, and open slots during the week can be worked through the D7 staff. There are not batting cages at the tournament location, however there are batting cages at other nearby facilities we can make available upon request, first come first served basis.

Additionally, D-BAT Newport News has provided 50% off One Hour Team Cage Rentals throughout the tournament, and coupons will be provided at registration. See the flyer at the back of this packet.
